The Committee wishes to express its thanks to those individuals and chapters who have assisted in providing information to grantee applicants and for their support of the Educational Grants in Counseling.

As a National Philanthropy Project since 1997, the National Foundation of Ectodermal Dysplasia has received \$241,634.53 from National and local Delta Chapters. The Committee thanks everyone for this continued support of NFED.

The total money available for the National Philanthropy Project is \$6,700.38, however no chapter submitted a project for consideration. Therefore, the National Philanthropy Committee decided to award \$6,700.38 to the National Foundation of Ectodermal Dysplasia.

The Yearly National Philanthropy Project was started in 2009 and total money given to date is \$73,644.95. Please continue to search out those worthwhile organizations that could use a helping hand from Delta Theta Tau.

The Secretary of Philanthropy and the National Philanthropy Committee recommend the expenditures from the National Philanthropy Fund in 2022-2023 be as follows:
